Dear Parent:

We are pleased to be able to offer your daughter the opportunity to be a member of Girl Scouts of the USA through USA Girl Scouts Overseas. Girl Scouting is one thing a girl can take with her no matter where she moves in the world.

Girl Scouting is dedicated to help girls build character and skills for success in the real world.

### **Membership**

To be a member of Girl Scouts of the USA a girl must:

Say and accept the Girl Scout promise and law

Pay membership fee of \$7.00

Be between the ages of 5 and 17 years old

### **Leadership**

The leaders of the Girl Scout troop volunteer their time. This is not a paid position. Girl Scout leaders are dedicated to offer a quality well rounded program to help girls achieve the following four goals:

Develop self potential

Develop values

Relate to Others

Contribute to Society

### **Your commitment**

Your help is needed. There are many ways you could help out your daughters troop. This also provides an excellent way for you and your daughter to spend quality time together. Please say yes when asked to help!

### **Additional Funding**

Additional funds are needed throughout the year to provide a quality program. We prefer to charge those fees at the beginning of the year so that we do not have to collect from the parents or guardians throughout the year. The list of this year's fees is on the following page.

**A girl will not be denied membership into the Girl Scout organization due to race, color, ethnicity, creed, socioeconomic status, or disability.**
